

Death Investigation Training - Advanced Topics

June 2016

We are once again **accepting registrations** for our Death Investigation Training (DIT) - Advanced Topics course! Our records show you previously registered for a DIT course(s), and now is the time to complete this additional course for continuing education hours.

This course is based on scientific principles and nationally recognized standards of death investigation and forensic pathology. It addresses a critical need for training of Medical Legal Death Investigators in the United States.

- **Death Investigation Training (DIT) - Advanced Topics = \$150**

Additional Courses:

- **Death Investigation Training (DIT) - Basics = \$80**
- **Death Investigation Training (DIT) - Cultural Competency = \$20**
- **Death Investigation Training (DIT) - Forensic Pathology = \$540**

Frequently Asked Questions

- **Who should enroll?**
- **What are the available CEU's?**
- **What are the technical requirements?**
